JASON MILES TRIANO

ServiceNow Database Developer | Data Engineer | DevOps Integration Specialist

Sacramento, CA • 279-208-3740 • jmilestrianojobs@gmail.com • U.S. Citizen • Eligible for Secret Clearance

PROFESSIONAL SUMMARY

ServiceNow Data Engineer and Multi-Domain Administrator with 10+ years of experience supporting enterprise IT and California state agencies. Expertise includes **ServiceNow data architecture**, **CMDB ingestion**, **Import Sets** and **Transform Maps**, **cross-system integrations**, **schema governance**, and **DevOps pipelines** across multiple environments.

Designs and troubleshoots **data pipelines**, **external integrations**, **identity federation**, **domain-separated configurations**, and **update set CI/CD** across DEV, STAGE, and PROD. Applies **GlideRecord scripting**, **REST** APIs, and **CMDB normalization** to resolve complex **cross-tenant data visibility issues**.

Strong communicator with a track record of improving data quality, stabilizing integrations, and supporting secure, compliance-driven environments.

CORE SKILLS

ServiceNow Data Engineering: Import Sets, Transform Maps, Data Sources, CMDB ingestion, schema mapping, dictionary design, database views, CI relationships, normalization, data quality governance.

Integrations: REST APIs, cross-tenant ServiceNow integrations, JIRA stakeholder database integration, Azure AD SSO/OAuth, identity federation, MID Server.

DevOps & Delivery: Update set governance, CI/CD pipelines, migration readiness, multi-environment release management, Agile delivery, acceptance criteria validation.

Scripting & Tools: GlideRecord/GlideAggregate, Script Includes, Business Rules, Flow Designer, PowerShell, Python, SQL (relational familiarity).

Security & Access: ACL/RBAC, domain separation, IAM, identity mapping, authentication troubleshooting.

Reporting: SLA dashboards, backlog metrics, operational scorecards, Power BI familiarity.

TECHNICAL SKILLS

Platforms: ServiceNow, Power BI, Windows/Windows Server
Scripting: GlideRecord, PowerShell, Python
Data: SQL (relational familiarity), CMDB modeling, ETL pipelines
Identity & Infrastructure: Active Directory/IAM, Azure AD, TCP/IP, DNS, DHCP, VPN, firewalls
APIs: REST, JSON, authentication flows (OAuth/SAML)

PROFESSIONAL EXPERIENCE

GAINWELL TECHNOLOGIES — CalSAWS ServiceNow Administrator / Data Engineer
2023–2026

- Engineered **CMDB ingestion pipelines** using Import Sets, Transform Maps, Data Sources, and normalization rules for a multi-domain, multi-county environment.
- Designed and maintained **cross-system integrations**, including:
  - **Contra Costa County ServiceNow → CalSAWS** (cross-tenant API integration, field mapping, schema alignment, domain separation rules, ACL/RBAC alignment).
  - **JIRA stakeholder database → CalSAWS Problem Management** (data association, relationship mapping, external system data ingestion).
  - **Azure AD → CalSAWS** (SSO/OAuth identity integration, authentication troubleshooting, user/group sync alignment).
- Diagnosed and resolved **cross-domain data visibility issues**, schema conflicts, transform failures, and multi-environment inconsistencies.
- Governed **update sets**, coordinated CI/CD migrations, validated acceptance criteria, and ensured release readiness across DEV, STAGE, and PROD.
- Built SLA dashboards, backlog reports, and operational scorecards to support executive decision-making.
- Led backlog refinement, sprint planning, and cross-functional delivery; translated requirements into features, user stories, and testable acceptance criteria.

GAINWELL TECHNOLOGIES — Sr. Associate Help Desk Technician (CalWIN/CalSAWS)
2022–2023

- Supported enterprise ServiceNow operations, documented defects, validated acceptance criteria, and converted recurring issues into actionable engineering backlog items.

GAINWELL TECHNOLOGIES — Medi-Cal Provider Support Specialist
2021–2022

- Analyzed provider-system issues, documented reproducible defects, supported high-impact incident communication, and contributed to workflow improvements.

EDUCATION & CERTIFICATIONS

A.S., Information Systems Security — Sacramento City College (Dean's List)
B.S., Organizational Psychology — Sacramento State

Certifications:

- ServiceNow System Administrator
- ServiceNow System Developer
- ITIL 4 Foundations
